How do you want to be identified: We are...

My Background and History with Animals: Do you worry about your pets when you have to travel or your busy schedule keeps you away from home for long hours?, , Do you wish you could find convenient pet care that allows your pet to be happier and healthier in familiar surroundings?, , Do you hate imposing on family or friends to care for your pets when you can't be there?, , Would you have peace of mind knowing that your pets are in the care of a qualified professional you trust, should an emergency arise?, , Deb's Pet Buddies provides professional pet care in your home, as an alternative to kenneling, boarding or imposing on family, friends or neighbors, when life's commitments take you away from your pets., , Our goal is to alleviate the stress and anxiety you and your pets feel when you have to be apart. We strive to give you peace of mind in knowing that your pets are receiving the most professional and loving care available to keep them happy, healthy and safe in the comfort of their own home environment., , You can relax knowing that your pets are being cared for by qualified and trustworthy pet care professionals. , , As a professional pet sitting business, we are insured, bonded and background checked. Our insurance is specifically designed for the pet sitting industry, and includes the

broadest coverage for your pets and property in our care. , We constantly seek continuing education to keep us at the forefront of modern pet care practices. By gaining in-depth knowledge and skills for in-home pet care we are prepared for any situation that may arise while your pets are in our care. We are proud to be... , , Pet Sitters International Accredited Pet Sitters, Certified in Pet CPR and First Aid, Member, ASPCA, Member, Central PA Pet Sitters Network, Member, Humane League of Lancaster County, Member, International House Rabbit Society , Member, Pet Sitters International , , Not Just Pet Care...Peace of Mind!
