How do you want to be identified: We are...

My Background and History with Animals: In November of 1999, Judy Sullivan became a southwestern "native" once again. Born and raised in New Mexico, this desert bloomer returned to her homeland after having lived in New Jersey for over 30 years raising her family. She now hangs her sombrero in Surprise, Arizona, making it her permanent year-round home. Prior to moving, Judy worked for a major pharmaceutical company as an administrative associate for a director of research and development. Previously, Judy was a listing agent for Weichert Realtors for many years., , After moving to sunny Arizona, Judy knew she wanted a change from "corporate america" and decided to put her business skills and her love and knowledge of animals to work. Thus, The Cat's Meow Pet Sitters was born. Judy has a unique affinity with all pets, but especially with cats. This is a special blessing for the "fur babies" she nurtures while "mom and dad" are away. You can feel confident you are entrusting your home and precious pets with a responsible an experienced professional pet sitter. Judy is fully insured with Pet Sitters Associates, LLC., , Judy is co-founder of the Arizona Professional Pet Sitters and Associates and founder of Arizona Pet Sitters and Service Providers, both professional networking groups that

meet every month in the southeast and northwest Phoenix Valley. In 2004, Judy received the Member of Distinction Award as the Southwest Regional Director for the National Association of Pet Sitters. She is a former member of Pet Sitters International, a world-wide professional pet sitters organization. Judy has completed animal Red Cross and First Aid training for pets and is continually adding to her pet care knowledge. In addition, Judy is an active member of the Grand Pets Club in Sun City Grand, the "active adult" community where she resides. Judy's goal is to continue developing a client base of happy pet owners expecting and receiving excellence, "The Cat's Meow", in care giving service for their home and pets.
